

**Sale Name:** The Davis Collection Auction #4

**LOT 8 - Pickup Details**

**Description**

Please Use the Online Scheduler!

This increases the efficiency of the auction load out and decreases the amount of time you'll spend loading your items! Online Schedule Instructions: The morning after the auction closes we will send a load-out scheduler to all the winning bidders. This scheduler system will supply any remaining time slots to the winning bidders. Scheduling can be completed by text message and email both to allow for ultimate flexibility to you, the buyer. If you do not choose a time slot, load-outs will be on a first-come, first-served basis and you may be asked to wait until an auction crew member can assist with the load-out process.

**Removal / Load Out: Parrott Auction Crew Members/representatives will be at the auction location of:**

**9153 N. Frontage Lane., Lawrenceville, IL 62439**

**Signs Posted.**

**to administer a Load Out on: Tuesday, April 16th, 3 - 6 PM Central.**

Signs posted. The address can be found by GPS as well. No Goods shall be removed until the purchaser's invoice has been paid in full. Sending of Another Person: If you are unavailable during this scheduled pickup, a family member, close friend, or co-worker can pick the items up for you if we are notified prior. Failure to Pickup – Credit

**Card Charge Authorization:** If the buyer(s) fail to attend the scheduled pick, we will automatically charge the card on file immediately following the scheduled pickup time, with no exceptions. **Pickup and Fee:** If items are not picked up during the originally scheduled pickup day, then we will automatically charge your credit card on file a cost of \$25. This \$25 fee covers the additional cost of labor, scheduling conflicts, and fuel incurred to meet during the 3-day "last chance" window. This fee will not be waived for any reason. This non-pickup policy is strictly enforced as items' non-removal is becoming an issue. For all other items that remain after "Second Chance Pickup", the buyer will forfeit the rights to said items and will revert back to the seller/auction company. **Full Service, In-House Shipping:** If shipping is desired on smaller items, please make a note when registering as we can immediately sort items for shipment at the close of the auction to expedite the shipping process. All shipping costs, tracking, insurance, and signature on delivery will be paid for by the buyer. The buyer will also be charged a small handling fee of \$8 per shipment unless the items require a pallet. We utilize the "Shipping Saint" Program to streamline our shipping process. Once you have paid the invoice for the item, a second invoice from Shipping Saint will include your actual shipping invoice. Once this shipping invoice has been paid, your item will be shipped. During these times of high shipments, extended shipping times may occur, we try to have all items shipped within 5 business days of auction close, however, we do reserve the right for up to 15 business days of auction close.
