LOT 5 - Absentee Bidder Form

Description

Absentee Bidder Form: Another bidding option is to attend one of the scheduled preview dates and complete our absentee bidder form; name, address, contact information, max bid you're willing to place, along with credit card information, will be required when completing this form. Please Note: This is MAX bid only. We will NOT call you to update you on winning/outbid status. If you change your max bid, a second form and a second \$25 charge will be required immediately. This is to discourage people from making 6 updated max bids via phone immediately prior to the auction close.
